## **It's a Flip Flop Summer**

May 29 to June 2

Welcome to another summer of Fun Filled activities. This past winter was a tough one for all of us, and who knows what the summer is going to bring? Let's start out this summer with a spirit week to show we are up for anything. Each day will be a different chance to express your individual style. We'll even have a wacky water obstacle course.

## **Adventures in Paradise**

June 5 to June 9

Sand castles, seashells, warm breezes. Say Aloha to this week's tropical theme. We will be hitting the beach for treasure hunts, mask making and tie dying to the tunes of Reggae. Let's Luau.

## **It's Only Make Believe**

June 12 to June 16

Princesses, Princes and Castle's oh my! Come to the land of make believe and together we'll slay the dragon and slay the Kingdom of Action Day.

## **Peanuts and Cracker Jacks**

June 19 to June 23

It's that time of the Summer again to get out your hats and oil up those gloves to fly balls at the Action Day Playoffs. We'll be getting involved in some awesome, traditional American games. If you're not a baseball fan, no worries, we'll have soccer and basketball activities planned as well that will get you just as pumped.

## **Survival Week**

June 26 to June 30

The call of the wild beckons this week— make your way to Action Day and accept the Challenges, Exotic Food... test your inner strength. Can you endure and outlast to be the Last One Standing!

## **The Great Outdoors**

July 3 to July 7

Camp Action Day is now in session. Start digging out your camping gear for our annual camp out and cookout and barbeque. We will test our survival skills when we pitch a tent, make our own cooking oven, compasses and bug catchers. Bone up on your not so scary ghost stories.

## **Mad Scientist**

July 10 to July 14

This week we are heading into the lab where science has gone crazy. Our experiments take us to discoveries in Sun and Sky, Force and Motion, Sweet Science and Slime Chemistry. We will be creating our very own radio from every day supplies — like an ordinary potato!

## **Wizards, Frogs and Toads**

July 17 to July 21

Calling all Wizards— time to depart from Action Day Platform 9 3/4 for a magical week. Grab your Marauder's Map and get ready for our Scavenger Hunt, capture the Golden Snitch in a friendly game of Quidditch create some delicious treats and finally. Professor Snape is going to share his recipes for Magic Potions.

## **Top Master Chef**

July 24 to July 28

Put on your apron and step into the kitchen— with your kids, of course! What's on the menu? A generous portion of learning opportunities served up with a batch of fun.

## **Let's Get Techy**

July 31 to August 4

Calling all Tech enthusiasts...it's a week filled with discovering, creating and learning all about everyday technology. We will be conducting experiments, using tools and learning how things work.
